

SBB Analytics CHINA order form

SBB Analytics CHINA is our acclaimed weekly report, giving unique and essential, quality insight into the world's largest market.

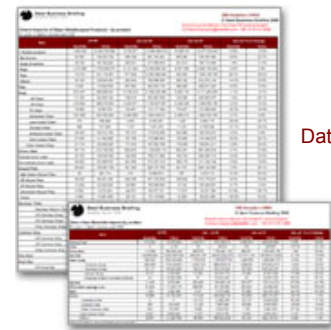

“**SBB is raising the data quality in China to new levels!**”

- Examination and implication of the key events each week
- Import, export & domestic market analysis and forecasting
- Macro-economic and governmental policy affecting steel
- Steel mill & end user sector profiles

Plus all the latest statistical data

Premium subscription also includes the *Analytics CHINA* Datafile: detailed monthly production, import & export statistics by product, value and origin / destination for carbon, stainless and raw materials, available as an excel sheet for easy manipulation.

Datafile

Premium subscribers also have full historical access to monthly data and reports back to July 04, including recent Automotive, Shipbuilding, Construction & White Goods special features.

A must weekly read for anyone doing business in, sourcing from, or analysing China
