RUSSIA’S COAL INDUSTRY IN 2008-2009

July 2009

TABLE OF CONTENTS

RUSSIA’S COAL INDUSTRY..............................................................................4
    Russian Coal Industry: Reserves.................................................................4
    Russian Coal Industry: Major Trends.........................................................7
    Growth Trends ............................................................................................7
    Regional Production ....................................................................................9
    Russia’s Coal Consumption.........................................................................11
    Major Coal Projects.....................................................................................13
    Russian Coal Industry: Transportation Issues...........................................16
    Railroad Transportation ..............................................................................16
    Seaport Facilities .........................................................................................19
    Prices for Coal: Trends in Domestic and World Markets............................23
    Russian Coal Industry: Foreign Trade Performance....................................26
    Russian Coal Industry: Top Companies, Groups, Holdings.......................28

RUSSIA’S COAL INDUSTRY: FINANCIAL POSITIONS AND DEBT BURDEN..................................................................................32
    Financial results ............................................................................................32
    Profitability ....................................................................................................32
    Debt burden...................................................................................................33

TOP RUSSIAN COAL PRODUCERS................................................................36
    Siberian Coal Energy Company (SUEK)......................................................36
    SUEK: Overview ...........................................................................................36
    SUEK in 2008-2009 .....................................................................................38
    SUEK: Key financials ...................................................................................40
    Kuzbassrazrezugol ..........................................................................................41
    Kuzbassrazrezugol: Overview .................................................................41
    Kuzbassrazrezugol in 2008-2009 .................................................................42
    Kuzbassrazrezugol: Key financials ...............................................................43
    Mechel (Yuzhny Kuzbass, Yakutugol) .........................................................45
    Mechel Coal Division: Overview .................................................................45
    Mechel Coal Division in 2008-2009 ..............................................................46
    Mechel Coal Division: Financials of key companies .....................................48
    Evraz Group (Raspadskaya,Yuzhkuzbassugol) ..............................................51
    Evraz Group Coal Division: Overview .......................................................51
    Evraz Group Coal Division in 2008-2009 ....................................................53
    Evraz Group Coal Division: Financials of key companies............................57
    Sibuglemet .....................................................................................................60
    Sibuglemet: Overview ..................................................................................60
    Sibuglemet in 2008-2009 .............................................................................61

LIST OF TABLES

Table 1 World Proved Coal Reserves (end 2006), million tonnes .......................................................... 5
Table 2 World Top Coal Producers in 2007, million tonnes ................................................................... 6
Table 3 Russian Coal Production by Main Types in 2003-2008, million tonnes ........................................... 9
Table 4 Breakdown of Russia’s Coal Production by Federal Districts in 2004-1Q2009, '000 tonnes .......... 9
Table 5 Breakdown of Russia’s Coal Production by Regions in 2004-1Q2009, '000 tonnes .................... 9
Table 6 Russia's Annual Tariff Growth by Means of Transport in 2001-2007, Y-to-Y ............................... 10
Table 7 Average Domestic Prices for Coal In Russia in 2003-March 2009, RUB per tonne ...................... 11
Table 8 Regional Average Producers’ Prices for Coal In Russia in March 2009, RUB per tonne ............... 11
Table 9 Top Coal Exporters in 2007, million tonnes ............................................................................... 12
Table 10 Top Coal Importers in 2006, million tonnes ............................................................................... 12
Table 11 Russia’s Exports of Bitumen Coal in 2004-Jan.-Feb. 2009, '000 tonnes ................................. 26
Table 12 Breakdown of Russia’s Bituminous Coal Exports by Countries in 2007-2008 ......................... 27
Table 13 Russia’s Imports of Bitumen Coal in 2004-Jan.-Feb. 2009, '000 tonnes ................................. 27
Table 14 Top Russian Top Coal Producers, mln tonnes ......................................................................... 28
Table 15 Major Coal Holdings and Groups in Russian Coal Industry ...................................................... 29
Table 16 Major Russian Producers of Coal in 2008, '000 tonnes ......................................................... 30
Table 17 Major Russian Producers of Coking Coal in 2008, '000 tonnes .............................................. 30
Table 18 Growth of Russia’s Coal Industry Sales, Operating Income and Net Income in 2007-January-September 2008 ........................................................................................................ 31
Table 19 Russia's Coal Industry Debt Burden and Liquidity in 2007-January-September 2008 ............... 32
Table 20 Net Debt and Net Working Capital of Russia’s Coal Companies in 2007-January-September 2008 ................................................................................................................................. 33
Table 21 Debt Burden Ratios of Russia’s Coal Companies in 2007-January-September 2008 .................. 34
Table 22 Liquidity Ratios of Russia’s Coal Companies in 2007-January-September 2008 ...................... 35
Table 23 Breakdown of SUEK Coal Production by Regions ................................................................. 36
Table 24 JORC Reserves at Vorkutaugol ................................................................................................. 40

LIST OF GRAPHS

Graph 1 Coal Reserve Life in Selected Countries (end 2006) .............................................................. 4
Graph 2 Breakdown of the World Proved Coal Reserves by Countries (end 2006) ........................... 5
Graph 3 Russia’s Coal Industry Via GDP in 1996-2001Q2009, year-to-year ...................................... 7
